**84.3 Rich Wood**  
Waterborne Exterior  
Semi-Transparent Stain

## Bring Out the Best in Your Exterior Wood

### 84.3 RICH WOOD Waterborne Exterior Semi-Transparent Stain

- Penetrates and seals for lasting protection
- Resists cracking, peeling, and fading
- UV and mildew-resistant formula
- Beautiful, rich semi-transparent finish
- Easy to apply by brush, roller, or spray
- Water clean-up and low odor
- VOC compliant in all areas
- Excellent on decks, siding, fences, shakes, and more

Rich Wood Waterborne Exterior Semi-Transparent Stain is engineered to protect and enhance exterior wood with a durable, water-based formula that penetrates deep and resists the common causes of premature aging.

Ideal for decks, siding, fencing, and outdoor furniture, it provides a rich, low-sheen finish that lets the natural grain show through while shielding the

surface beneath. Easy to apply and easy to maintain, it helps homeowners, contractors, and property managers keep exterior wood looking its best for longer - without the mess or strong solvent odors.

Whether you're staining new cedar, weathered pressure-treated wood, or refinishing sun-beaten railings, Rich Wood delivers lasting results.
