ETERNITY 220
High Performance
Exterior Coating

Eternity High Performance Exterior Coating
comes with a Lifetime Warranty. Now there's confidence.

220 Low-Lustre

- Long Lasting Exterior Durability
- High Hiding & Excellent Coverage
- Mildew Resistant
- Attractive Eggshell Finish
- Resists Fading and Chalking

More Information

Eternity is our highest performing exterior acrylic coating. The high build finish bridges hairline cracks and dries to a luxurious Low-Lustre sheen that lasts and lasts.

You'll feel the quality as your brush and roller glides on the thick high solids paint.

The advanced waterborne acrylic technology in Eternity stands up to years of exposure to sunlight, rain, snow, and seasonal temperature changes in all climates for maximum weather protection.

ETERNITY 225.101
Bonding Primer
Acrylic Primer/Sealer

An **advanced acrylic primer/sealer** specifically designed for use with Richard's Eternity High Performance Exterior Coating.

225.101 Bonding Primer

For Exterior Use

- Excellent Adhesion
- Primes & Seals
- Very Good Coverage
- Easy to Apply & Fast Drying
- Mildew Resistant
- Resists Stain Bleed-Through

More Information

Excellent for use as a bonding agent when applied to previously painted surfaces with light chalk, and works as a powerful primer/sealer over most new or bare exterior substrates.

This primer is easy to apply, dries fast, and offers excellent coverage. Resists mildew and stain bleed-through.

It provides excellent durability, adhesion, alkali resistance, and flexibility needed for application to your building's exterior.
