7105.101 Waterborne Alkyd Stain Killing Primer

- Waterborne Alkyd Formula
- Excellent Coverage
- Interior and Exterior Use
- Use as a Whole House Primer
- Primes & Seals
- Stain Blocker
- Resists Sagging
- Easy to Apply

Our most powerful waterborne stain blocker. Richard's THOR Waterborne Alkyd Stain Killing Primer uses an advanced waterborne alkyd resin system that hides and locks in most stains from water, smoke, ink, lipstick, crayons, pens, pencils, and markers.

It's easy to apply, won't sag or drip, and adheres tenaciously to surfaces, creating a strong bond that sets the stage for your painting project.

The perfect low odor, low VOC choice for places like hospitals, offices, government buildings, schools, hotels, nursing homes, and apartments.
